Lilian Schick School Personal Electronic Device Agreement

Any student wishing to bring their wireless Personal Electronic Devices (PEDs) to Lilian Schick School must consent to the following agreement.

Lilian Schick School does not guarantee the privacy or security of any item stored on or transmitted by any wireless PEDs.

The Parent and Student acknowledges that the wireless PEDs may inadvertently or willfully connect to the cellular network or outside wireless access points through an unsecured connection, which may or may not result in substantial data charges. The Parent and Student acknowledge that this will result in unauthorized, unfiltered access through these external connections while on school premises.

Lilian Schick School is not responsible for any loss or damage sustained to PEDs. A student who brings their wireless PEDs to school is personally responsible for the equipment as well as all security, maintenance and repair.

Students must store all PEDs **in their lockers** unless they are instructed by a teacher to bring the devices to class for instructional purposes. Students may use PEDs to listen to school appropriate music only during scheduled breaks in the day. Earphones must be used, but one earphone must be removed while listening to music. At this time, cell phones are not permitted for personal use during the school day; however, teachers may request that students use cell phones for instructional purposes.

Students using their personal laptops are **REQUIRED** to have up-to-date antivirus software installed.

Lilian Schick School reserves the right to:

- Access an individual's PED at any time
- Monitor all activity
- Deem what is appropriate
- Confiscate PEDs that are used inappropriately or used during inappropriate times.

Unacceptable Use

- Do not waste or abuse school resources through unauthorized system use (such as online gaming, Internet radio, downloading music, watching videos, participating in chat rooms, checking personal email, checking facebook or twitter accounts, etc.)
